This policy shall be administered in accordance with the state public school open enrollment law.

Part I  
NONRESIDENT SCHOOL OPEN ENROLLMENT STUDENTS - (FULL-TIME)

A nonresident student may apply for full-time enrollment in the Medford Area Public School District (MAPSD) under the open enrollment program. Applications will be accepted and acted upon in accordance with procedures and timelines specified in state law.

The district shall consider the following criteria when accepting or rejecting a nonresident student’s application for full-time enrollment:

Space Availability

MAPSD shall determine the maximum number of students who can be enrolled in a particular classroom without jeopardizing the quality of the instructional program.

MAPSD reserves the exclusive right to establish program size and to limit enrollment based upon the capability to properly allocate available resources, create and maintain waiting lists, create and maintain a proper learning environment, and comply with contracts, grants, and applicable laws and regulations.

### Student to Teacher Ratio

A student who is rejected under space availability criteria, but has siblings, who are accepted, may be considered for enrollment through special consideration under a student to teacher ratio criteria established by administration. In no case; however, will a student considered under this section be accepted if it negatively affects the quality of education provided to current students. Also, students who might otherwise be accepted under other criteria listed in this policy may be rejected based on student to teacher ratios.

### Sibling Preferences/ Guarantees

Preference must be given to any non-resident student currently attending MAPSD full time and to their siblings.

- Preference requires space.
- If there are no spaces, even students entitled to preference must be denied.

Guarantee may be given to currently attending students or their siblings.

- Guarantee means approval regardless of space.
- District must have policy to guarantee approval – otherwise may only grant preference.

### Enrollment Projections

Projected average class size shall be determined by administration based on prior in-grade growth for the preceding five years, including current open enrollment students, projected economic growth and projected birth data.

### Four-Year Old Kindergarten

A student may make application for attendance in a four-year-old kindergarten if the student's resident school district offers the same type of program and the student is eligible to attend the program in the resident district.

### Expelled Students

Students who have been expelled by a school district during the current school year or preceding two school years or who have disciplinary procedures pending as outlined in state law may be denied under the district's school open enrollment policy. If an expulsion or expellable behavior occurs after initial acceptance of the student and prior to the student starting school in MAPSD, the district may deny the enrollment of that student.

### Students with Disabilities

A non-resident student identified as a student with a disability will only be considered for enrollment if the special education program or related services described in the student's individualized educational program (IEP) are currently available within the district.

### Screening for Special Education Status

All applicant students will be screened to determine:

1. Whether or not the student has an identified disability and
  - is receiving services through an IEP, or
  - has received services and was dismissed through the IEP process, or
  - refused services, rejected placement or discontinued placement.

2. Whether or not the student is suspected of having a disability but has not been evaluated either by a school district or outside agency (clinic, hospital, university, etc.).

### Suspected Disabilities

Any student suspected of having a disability will not be considered for acceptance without completion of an IEP evaluation. A non-resident student, who has an identified disability and is not receiving services, will not be considered for acceptance without a valid IEP and placement consent.

#### Part II

### NONRESIDENT SCHOOL OPEN ENROLLMENT STUDENTS (PART-TIME/HIGH SCHOOL)

MAPSD may enroll non-resident students who are currently enrolled in a public high school on a part-time basis in accordance with state law.

A non-resident part-time student may attend no more than two courses at any one time in a non-resident district.

#### A. Application Requirements and Acceptance

Non-resident high school students interested in taking one or two courses in MAPSD shall apply at least six weeks prior to the date the course is scheduled to commence. Upon receipt of the application, the open enrollment coordinator shall forward a copy of the application to the student's resident district. The resident district must then determine if it accepts or rejects the application and must notify the MAPSD.

MAPSD open enrollment coordinator shall decide if the non-resident applicant is to be accepted. The open enrollment coordinator shall review the application to determine if the non-resident student has met all necessary pre-requisites, is at the appropriate grade level and any other established requirements for entry into the course(s). MAPSD Board of Education (BOE) policies and criteria for accepting and rejecting applications for students who reside in another school district shall follow the same policies and criteria for entry into the course that the BOE may give preference to residents of the school district.

#### B. Resident Preference

Using the usual enrollment maximums that would apply in scheduling resident students, the open enrollment coordinator shall determine if non-resident space is available. Preference shall be given to resident students. The open enrollment coordinator shall notify the student and their resident district of the acceptance or rejection at least one week prior to the date the course is scheduled to commence. If the non-resident student is rejected, the reason(s) for rejection shall be included in the notice.

#### Part III

### NON-RESIDENT STUDENT BUILDING ASSIGNMENT

Non-resident *elementary* students will be placed in the elementary school having the lowest projected classroom enrollment at the grade level applied for and in accordance with the following:

- An effort will be made to keep non-residents siblings in the same school;
- If class sizes are relatively equal throughout the grade level, the student will be placed in the school closest to their residence, except if their residence is located East or West of

MAPSD the student will be placed according to the established boundary line policy in place at the time of the acceptance; and/or

- Placement will not be made according to the above criteria if it causes additional real cost to MAPSD. In that case, placement will be made in the school most advantageous to MAPSD.

#### Part IV

### TRANSPORTATION ARRANGEMENTS FOR *NONRESIDENT* SCHOOL OPEN ENROLLMENT STUDENTS

A non-resident school district is prohibited from picking up an open enrolled student within the boundaries of the student's resident school district, unless the resident district approves. MAPSD must also approve the pick-up/drop-off site. MAPSD is not required to provide transportation for non-resident students and will not change or establish routes for non-resident students, unless transportation is required in the student's IEP.

#### PART V

### *RESIDENT* SCHOOL OPEN ENROLLMENT STUDENTS

#### Full-time Enrollment

A student may not apply for open enrollment admittance to more than three nonresident districts in any school year. For purposes of determining whether applications have been submitted to more than three nonresident school boards, the district may not count an application submitted to a nonresident district for a student to attend a virtual charter school.

#### Resident Special Education Student

MAPSD will deny an applicant resident student to attend another school district if the cost of special education and related services as required in the student's IEP would place an undue financial burden on MAPSD.

If a resident student's IEP changes after the student begins attending a nonresident school district and the costs of the special education program or services required by the IEP would place an undue financial burden on MAPSD, MAPSD will discontinue allowing the student to attend school in the nonresident district.

#### Transportation Arrangements for Resident School Open Enrollment Students

MAPSD will not provide transportation to resident students participating in the full time open enrollment program in another school district.

#### Criteria Used to Reject Resident Student School Part-Time Open Enrollment Applications

Resident students will not be allowed to attend more than two courses at another school district at any one time. MAPSD will not approve the application of any resident student if the course considered for enrollment is in conflict with the student's IEP.

MAPSD will reject applications for part-time enrollment in another district if tuition for enrollment in the non-resident district will place an undue financial burden on MAPSD.

PART VI  
APPLICATIONS SUBMITTED UNDER ALTERNATIVE  
OPEN ENROLLMENT CRITERIA

Eligibility Criteria

- The student's attendance in a school in the nonresident school district is considered to be in the best interest of the student. The application must explain the reasons for requesting this exception and why attendance at the nonresident school district is in the best interest of the student.

PART VII  
ATTENDANCE OF OPEN ENROLLMENT STUDENTS

All students attending MAPSD under an open enrollment application will follow attendance/truancy policies of the district. Should a student be found to be truant, and the parents of a habitual truant be notified, that student may not be allowed to attend the nonresident school district in the following semester or school year per WI Act 304 and BOE policy JE.

## Part II

### NONRESIDENT STUDENT OPEN ENROLLMENT APPLICATIONS-PART-TIME

#### Application Process:

- The student's parent/ guardian is required to sign the application form. By signing the form, the parent grants permission for the nonresident school district to request and obtain from the resident school district (or district of attendance) records that are necessary to determine whether or not the student is in high school and whether the student meets the prerequisites for the courses.
- Apply with the nonresident school district (the district in which the student wishes to take the course). Applications are available at <https://dpi.wi.gov/open-enrollment> or from the resident/ nonresident school district.
- Apply no later than six (6) weeks before the scheduled start of the course.
- Application form must be received in the nonresident school district by that date. A postmark is not sufficient.
- Late applications will not be accepted.
- It is the responsibility of the parent/student to find out the starting date for the course.

#### Approval / Denial Process (Nonresident District):

- No later than one (1) week before the start date of the course, the nonresident school district is required to notify the student if the application is approved or denied.
- The nonresident school district may deny a student's application only for the following reasons:
  - Space is not available in the course.
  - The student is not in the high school grades.
  - The student does not meet the nonresident school district's criteria for being admitted to the course.
  - The student is not enrolled in a public high school in Wisconsin.

#### Approval / Denial Process (Resident District):

- No later than one week before the start date of the course, the resident school district is required to notify the student:
  - If the application is denied (notification is not required for approval).
  - If the course does not meet the high school graduation requirements in the resident school district (although the student may attend the course even if it does not meet the high school graduation requirements).
- The resident school district may deny a student's application only for the following reasons:
  - The cost of the course creates an undue financial burden on the resident school district.
  - The course conflicts with the IEP for a student who needs special education.

#### Notification of the Student's Intent to Attend the Course:

- If the student has been notified that he / she is accepted into the course, the parent must notify both the nonresident and resident school districts whether or not the student will attend the course by the last weekday (excluding state holidays) before the course starts.

#### Appeals:

- If the application is rejected by either the resident or nonresident school district, the parent/guardian may appeal the decision to the Department of Public Instruction (DPI) within 30 days. DPI is required to uphold the BOE's decision, unless DPI finds that the decision was arbitrary or unreasonable. DPI's decision is final.

#### Transportation:

- The parent is responsible for transporting the student to and from the course in the nonresident school district.
- The parent may apply to DPI for a prorated reimbursement of the actual transportation costs. There is a maximum statewide appropriation for transportation reimbursement. Preference for reimbursement will be given to families that are eligible for free or reduced price lunches under the federal school lunch program.
- Claims for transportation reimbursement may be submitted to DPI at the end of the school year. The online claim form will be available starting June 1 on the open enrollment website at <https://dpi.wi.gov/open-enrollment>. Claims are due no later than July 15.

### Part III

#### NON-RESIDENT RANDOM SELECTION PROCESS

MAPSD shall determine, in advance of the January BOE meeting, the availability of spaces in each grade/program and the number of non-resident applicants. When space is available, first preference will be given to any students who are currently enrolled full time in the district and their siblings.

If MAPSD receives more nonresident student applications for full-time enrollment than there are spaces available, determination of which students to accept shall be made on a random basis as follows. At a BOE Policy Committee Meeting in May:

- All applications shall be assigned a number and the numbers placed in a container.
- The numbers shall be drawn and listed in the order they are drawn.
- Applications shall be accepted based on their order on the list and the number of spaces available in the district schools or programs.

- Those student applicants not selected in this random process will be placed on a numbered waiting list.
- As space becomes available, but prior to the third Thursday in September, the district shall randomly select the appropriate number of applicants from the waiting list using the procedures set forth in this section, Non-resident Random Selection Process, but only if the student will be in attendance in the nonresident school district on the third Friday in September. If a student is accepted from a waiting list after the start of the school term, it is the responsibility of the student's parent to immediately notify the resident school district of the student's intent to attend school in the nonresident school district in the current term.
- Parents/guardians of the student applicants will be notified of the applicant selection and will have ten (10) days in which to accept the open enrollment offer. Acceptance of the offer to attend must be in writing addressed to the Open Enrollment Coordinator, Medford Area Public Schools, 124 W. State Street, Medford, WI 54451 and be received or postmarked no later than 4:00 p.m. on the tenth (10<sup>th</sup>) day. All applicants must be enrolled in MAPSD prior to, and in accordance with, the third (3<sup>rd</sup>) Friday in September count date.

Part IV  
RESIDENT STUDENT OPEN ENROLLMENT APPLICATIONS

Full-Time Enrollment

- Upon receipt of a resident student's application to attend a school or program in another public school district, school office staff shall forward it to the open enrollment coordinator for review and recommendation.
- All applications shall be reviewed using the criteria outlined in BOE policy. The open enrollment coordinator shall submit recommendations regarding acceptance or rejection of application to the BOE for action. If the application is rejected, the applicant and the nonresident BOE shall be notified, in writing, that the application has been rejected. This notification shall be made on or before the second Friday following the first Monday in June. The notice shall include the reason(s) for the rejection.

Appeal of Rejection

If an application for enrollment is rejected as outlined above, the student's parent(s)/guardian(s) may appeal the decision to the DPI within 30 days of the date the notice is postmarked or delivered to the parent.

Part V  
APPLICATIONS SUBMITTED UNDER  
ALTERNATIVE OPEN ENROLLMENT PROCEDURES

Application Review and Approval Process

- When the district receives an open enrollment application that has been submitted under the alternative open enrollment criteria outlined above, whether it is submitted by a nonresident student or a resident student, the application shall be forwarded to the Open Enrollment Coordinator for review and recommendations.
  - A. If the application involves a nonresident student seeking to attend school in the district under open enrollment, the district will:

- Immediately send a copy of any paper application received by the district to the student's resident school district, or, if applicable, the student's anticipated resident school district.
  - Work with the resident district (or the anticipated resident district) identified in the application to determine where the applicant is currently attending school and to determine from which school the district will receive any relevant special education records (i.e., the student's current IEP) and/or disciplinary records (i.e., expulsion records). If the applicant is not currently attending school in the resident district, the district will request such records from the school or school district the student is attending or most recently attended; and
  - Within ten (10) days after receiving, or, if necessary, developing an IEP for a student with a disability, provide an estimate to the resident district of the costs to provide the student with special education or related services.
- B. If the application involves a resident student who is attending, or who previously attended school in the district, the district shall send the nonresident school district to which the open enrollment application was made a copy, if applicable, of the student's IEP and any expulsion or other relevant discipline-related records within ten (10) days of receiving the application.
- The Open Enrollment Coordinator shall review the application using the acceptance/denial criteria outlined in BOE policy. The Open Enrollment Coordinator shall submit recommendation(s) regarding acceptance or denial of the application to administration for action.
    - A. The district may deny an application of a resident student if (1) it determines that the criteria relied on by the parent or guardian to submit the application do not apply to the student or (2) it determines that the cost of special education and related services required in the IEP for a student with a disability is an undue financial burden (except as to an applicant who the BOE determined was the victim of a violent crime).
    - B. The district may deny an application of a nonresident student:
      - for the same reasons it may deny an application submitted during the regular open enrollment application period; or
      - if the application relies on the best interests of the student criteria and the district determines that open enrollment is not in the student's best interest.
  - If the application involves a nonresident student seeking to attend school in the district, the district will notify the applicant, in writing, whether the application has been approved or denied no later than twenty (20) days after receiving the application.
    - A. If the application has been denied, the notification shall include the reasons for the denial. To the extent consistent with state law and district policy, acceptance of an application may be contingent or subject to revocation.
    - B. If the district has approved the open enrollment application of a nonresident student, the notification provided to the applicant shall identify the specific school or program that the student may attend. A nonresident student accepted for enrollment may immediately begin attending the assigned school or program in the district and shall begin attending

the school or program no later than the fifteenth (15<sup>th</sup>) day following receipt of the notice of acceptance. If the nonresident student has not enrolled in or attended school in the district by that date, the district may notify the student's parent or guardian, in writing, that the student is no longer authorized to attend the school or program in the district.

- C. To the extent that there is a delay in the district's receipt of any relevant disciplinary records from another school or school district, the district will review and act upon such records promptly, and, if necessary, inform the student that final confirmation of the district's approval of the application is contingent upon the district's receipt and review of such records.
- If, for purposes of the application, the district is identified as the resident school district, the district shall notify the applicant whether the application has been approved or denied in accordance with any deadlines established by the state law or Department of Public Instruction rule. Normally, the district will issue such notifications no later than twenty (20) days after the district's receipt of the application. In addition:
  - A. If the application has been denied, the notification shall include the reasons for the denial. To the extent consistent with state law and district policy, approval of an application may be contingent or subject to revocation.
  - B. If the student is a student with a disability, the district shall normally make a determination whether the nonresident school district's estimate of relevant special education and services costs constitutes an undue financial burden on the district no later than twenty (20) days after the district has received the relevant estimate.

#### Part VI

#### ATTENDANCE OF OPEN ENROLLMENT STUDENTS

All students attending MAPSD under an open enrollment application will follow attendance/truancy policies of the district. Should a student be found to be truant, and the parents of a habitual truant be notified, that student may not be allowed to attend the nonresident school district in the following semester or school year per WI Act 304 and BOE policy JE.
